

CAM WAL ELECTRIC

Automatic Bank Payment

Cam Wal Electric is pleased to offer to our customers the Automatic Payment Plan. You can have your monthly electric bill paid automatically from your checking or savings account. There is no charge for this service. Cam Wal Electric offers this as an optional service.

Between the 10th & 15th of each month, we will automatically withdraw your electric bill payment from your account. You will still receive a bill so you know how much we will be deducting from your account, but you will not have to write a check or remember to pay the bill on time.

Please call us at 605.649.7676 if you have any questions.
